ESL grammar resources for teachers and learners - a comprehensive guide from A to Z! This collection includes worksheets, quizzes, and games that cater to different levels, from beginner to intermediate. **Parts of Speech** The first section focuses on adjectives and nouns. For each word, you can only use each letter once. The game provides 16 possible answers and suggested ideas for using the letters. It's suitable for learners of all ages and skill levels. Want to run an engaging "whole class" activity or divide into larger groups that later record their answers on the board. (10-15 minutes) Grammar Quiz - Parts of Speech! This interactive quiz features 16 multiple-choice questions with answer keys and conversion charts, suitable for elementary to intermediate levels. Approximately 15 minutes is all you need! Download the PDF file by clicking on the gold button below or try out the interactive version! Every word in a sentence serves a function and has a position. These words are categorized into parts of speech based on their functions. Our exercises will help you better understand these parts! We've written down sentences for each part separately, with answers at the end.
